

Samsung SCX-5315F

Digital Copier, Laser Fax, Laser Printer, Color Scanner

A feature-rich flatbed laser multifunction machine ideal for small businesses and workgroups.

SAMSUNG

Samsung SCX-5315F Digital Copier, Laser Fax, Laser Printer, Color Scanner

Crank out professional-looking digital copies at up to 16 pages per minute. Send faxes in nothing flat. Scan original images in brilliant color. And do it all on one stylishly compact and affordable 4-in-1 multifunction machine. You've got the reliable, feature-packed Samsung SCX-5315F. You are the multi-task master. Be proud of your increased productivity.

30-sheet ADF makes copying and faxing large jobs easy

4800 dpi enhanced-resolution flatbed color scanner handles a variety of originals up to legal size

Large 250-sheet output tray

Up to 16 pages per minute and standard auto duplexing with 8 MB of memory

USB and parallel interfaces can connect two computers simultaneously

Fast and efficient 33.6 Kbps modem with 4 MB and up to 320 pages of fax memory

100-sheet bypass tray handles envelopes, transparencies and special media

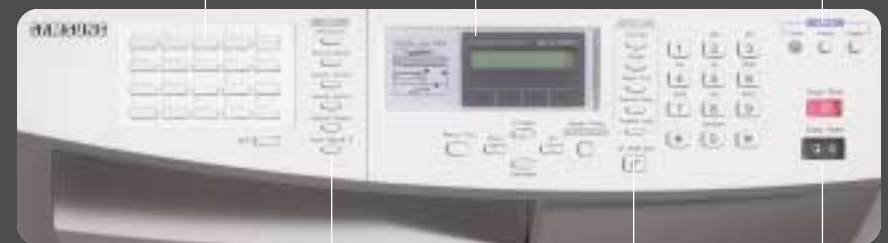

Optional internal network card transforms the SCX-5315F into a network printer

550-sheet enclosed paper cassette holds more than a ream of paper and keeps it dust-free

Store frequently dialed fax numbers and dial with the touch of a button

Control panel indicates toner and drum levels, paper level, or if an error occurs on the system

Unique TonerSave, PowerSave and PaperSave features help reduce costs

Frequently used fax features are easily accessible

Frequently used copier features are easily accessible

Frequently used buttons are larger, to simplify use

Rich in features. And reliability.

High-Resolution 1,200 dpi Laser Print Engine Gives you sharp, professional-looking documents at speeds up to 16 pages per minute.

Scan-Once-Copy-Many This digital technology helps reduce wear and tear on the document feeder and scanning mechanisms for more reliability and less downtime.

72-Hour Battery Back-Up No power? No problem. This feature stores incoming faxes in memory and prints them at a later time in the event of a power interruption.

The easier, the better.

Truly Versatile The SCX-5315F is easy to use as a walk-up fax and copy device, or from the desktop as a printer and scanner.

Easy Set-Up The SCX-5315F is ready to go right out of the box. Just a few simple clicks installs your software.

Two-Piece Toner and Drum Unit It's quick and easy to replace so you can get right back to all of your multi-tasking.

Durable Platen Design Gives you flexibility in the types of documents you can copy, fax and scan. And its hinge design simplifies copying of oversized blueprints or books.

Save time. Save money.

Lower Total Cost of Ownership The SCX-5315F's multifunction design gives you lower running costs compared to the cost of operating four separate fax, copier, printer and scanner devices.

Push and Save Features These unique technologies give the SCX-5315F the lowest running costs in its class.

TonerSave Extends the life of your toner cartridge up to 40% when used consistently. Also an ideal feature for printing drafts.

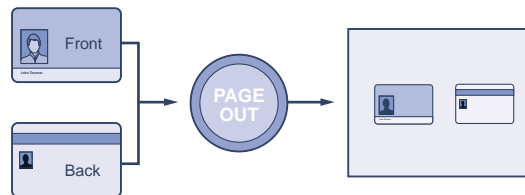

PaperSave Samsung's 2-up copy feature allows you to copy two pages onto one sheet to reduce your paper costs.

PowerSave Saves you money by reducing power consumption when you're not using the device.

Watch productivity soar.

First Print-Out Time of Under 13 Seconds That's fast, and exceptionally noteworthy for this class of multifunction devices.

ID Card Copy Allows users to copy the front and back of identification cards, such as medical insurance cards and driver's licenses, onto the front of a single sheet.

Numerous Copy Features There's 25-400% reduction and enlargement, built-in auto duplexing, Auto Fit, Collation and Clone Copy. All ready to meet your copying needs.

Optional Internal Network Card Turns the SCX-5315F into a network printer, easily fulfilling the multifunctional needs of your small office or workgroup.

Scan to Email Allows you to easily send scanned images as attachments to email.

Scan to OCR (Optical Character Recognition) Lets you scan printed originals to create a text document that can be edited in Microsoft Word or other word processor application.

SmarThru™ Software This included scanning software package acts as an email client, serves as an image editor, and provides scan to email.

30-Sheet Automatic Document Feeder Delivers fast and efficient copying and faxing, saving you time, and ultimately, money.

Low Toner Report Automatically faxes a report to your local dealer when you're running low on toner, reducing the possibility of downtime.

550-Sheet Paper Cassette Its enclosed design accommodates more than a ream of paper, keeping it dust-free to eliminate the possibility of paper jams.

Built-In IEEE-1284 Parallel and USB Port Connects two computers simultaneously. The TWAIN-compliant driver is standard.

An overachiever of a fax.

Boost Your Efficiency With a 3 second per page fax transmission time, a fast Super G3 33.6 modem, 300 x 300 dpi fax resolution, plus 256 grayscale levels for exceptional clarity, your faxing productivity is enhanced.

Color Fax Transmission Send color faxes up to 600 dpi.

Secure Faxing Ensures that sensitive faxes print out only when you want them to.

Duplex Fax Printing Saves you money by allowing you to receive incoming faxes and print them 2-sided.

Group Dialing Allows you to fax the same document to several machines from a preprogrammed 2-digit number.

SCX-5315F Specifications

Functions	
Copy	Yes
Print	Yes
Color Scan	Yes
Fax	Yes
Digital Copier	
Resolution (Scan, Print)	600, 600 dpi
Speed	Up to 16 cpm (letter)
Reduction and Enlargement	Platen: 25-400% in 1% increments, ADF: 25-100% in 1% increments
First Copy Out	Approximately 9 seconds
Auto Duplex	ADF and platen: 1:1, 1:2
Productivity	Scan-once-copy-many
Multi-Copies	1-999 pages
Collation Copy	Yes, electronic
ID Card Copy	Yes
Clone Copy	Yes
Auto Fit	Yes
Laser Printer	
Technology	Laser
Speed	Up to 16 ppm (letter)
Resolution	1200 dpi class
Memory	8 MB (640 pages)
First Print Out	Approximately 13 seconds
Print Language, Standard	PCL 6
Connectivity, Standard	USB 1.1, IEEE-1284 Parallel
Network Printing	Yes, via optional Internal Network Card
Duplex Printing	Yes, built-in
Supported OS	MS Windows® 95, 98, Me, NT4, 2000, XP
Color Scanner	
Resolution (Optical, Enhanced)	600, 4800 dpi
Scan Resolution Settings	Variable
Pre-Scan	Yes, 75 dpi standard TWAIN
Grayscale	Yes
Type	Color CCD
Bit Depth (Mono, Color)	8-Bit (gray-scale), 32-Bit (color, internal), 24-Bit (color, external)
Scan Driver	Standard TWAIN
Bundled OCR Software	Yes, Optical Character Recognition
Bundled Image Management	Samsung SmarThru3
Platen Size	A4/Letter

Laser Fax	
Transmission Speed (Kbps, Seconds/Page)	Super G3, 33.6, 3 3 Sec.
Scan Speed (Approx.)	3 Sec.
Fax Compatibility, ECM	ITU-T Group 3, ECM
Grayscale	256 levels
Color Fax TX/RX	Yes/No
Coding Method	MH/MR/MMR, JPEG
Storage	4 MB, 320 Pages
Resolution (Max.)	300 x 300 dpi
Battery Backup	72 Hours
Group Dial	Up to 119 locations
Broadcasting	Yes
Polling TX/RX/Security	Yes/Yes/Yes
One Touch	Up to 40 locations
Paper Handling	
Input Capacity, Standard (Tray 1, Bypass)	550 Sheets, 100 Sheets
Output Capacity	250 Sheets
Automatic Document Feeder	30 Sheets
Media Types	Paper, envelopes, labels, card stock, transparencies
Paper Size	Minimum: 5" x 7"; Maximum: 8.5" x 14"
Paper Weight	Standard Cassette: 16-24 lb., Bypass Tray: 16-43 lb.
Consumables	
Toner Type	2 Piece Toner, Drum
Toner Yield at 5% Coverage (Standard, Starter)	6,000 Pages, 1,000 Pages
Drum Cartridge	15,000 pages
TonerSave Mode	Yes, approximately 40% savings
General	
Dimensions (W x D x H)	21" x 17" x 18"
Weight	55 Lbs.
Power	110 VAC, 50/60 Hz
Power Consumption (Normal, Power Save)	380 W, 19 W, Energy Star Compliant
Maximum Monthly Volume	Up to 18,750 pages per month (letter size, 5% coverage)
OPERATING ENVIRONMENT	
Temperature	Maximum Range: 50° to 89.6°F Recommended Range: 60.8° to 86°F
Humidity	Maximum Range: 20 to 80% Recommended Range: 30 to 70%
CERTIFICATIONS	
Safety	UL Safety, CSA Safety
